11/14/14 1304 Trustee in cell block 4 knocked on the door. Staff was upfront and after The 3rd knock I went to the run and the trustee stated Inmate Tahhahwah Christina just stopped talking. I went back to the booking desk and told both jailer McMillion who was on the phone and Jailer Stewart who was coming back into the jail after walking 2 civilians back downstairs. We Opened the cell, uncuffed the inmate and staff started checking for a Pulse. I informed dispatch on the radio and I went back to cell 26 Where we started chest compressions. Fire department arrived and took Control of the scene. Inmate was transported to CCMH via ambulance. Medical released Tahhahwah, Christina she was admitted to CCMH (55)
